2022 Annual Meeting: TECHNOLOGY & INNOVATION in PSYCHIATRY

What to EXPECT

CAREER FAIR
Meet with employers and catch a session on Interviewing and contract negotiations.

NETWORKING
Join your colleagues for group networking lunches.

LEARN
Participate in 4 hours of thought provoking educational sessions based on the future of psychiatric technology.

AWARDS
Honor your colleagues at the awards dinner.

Modern advances and technology bring potential advances to assessment and treatment of patients, but there can also be pitfalls. Join us as we hear from expert speakers and panelists about telepsychiatry, collaborative care and Project ECHO, how to best assess and utilize electronic applications in the treatment of patients, and new frontiers in virtual reality and artificial intelligence! The meeting will begin with a career fair and conclude with an awards ceremony/dinner to recognize outstanding contributions of IPS members. We hope you'll join us to learn, network, and socialize with your fellow IPS members!

Saturday, October 8
The Hyatt Lodge | Oak Brook, IL
2815 Jorie Blvd, Oak Brook, IL 60523

REGISTER by Sept. 16 for Early Bird Pricing At Illinois.psychiatry.org
