

PSYCHIATRY
OUTSIDE OF
CLINICAL
PRACTICE

VIRTUAL SERIES

Thursdays at 6:30 pm

Many psychiatrists receive little, if any, training on the business aspects of psychiatric practice during their residency. This educational series is designed to provide useful knowledge across a range of career needs, from early practice to closing a practice. We welcome all members to attend any sessions that strike their interest.

Sponsored by:

> FEBRUARY 18

Interviewing and Contract Negotiations

Catch the replay on illinois.psychiatry.org

> MARCH 11

Private Practice 101

Catch the replay on Illinois.psychiatry.org

> APRIL 8

Advocacy 101

Presentation given by: Dr. Daniel Yohanna, U of C

Learn all about advocacy—why it's important, IPS legislative priorities, and practical tips on how to get involved, including easy at home activities.

Also Participating:

- Mark Peysakhovich, IPS Lobbyist
- Amanda Chesley, JD, Senior Regional Director — Region 2, State Gov.'t Affairs, APA

> MAY 20

Financial Planning for Physicians
